Partner with AHI on **microfinance projects** to staff and students as another way to launch AHI Graduates:

AHI is **featuring 3 small businesses** this year that have proven themselves worthy of investment and upgrading to make these businesses more profitable. We seek funding that will be paid back in 2-3 years at 2-5% interest and then made available to other staff/students in the future as they develop their businesses. We are very proud of these men; they have taken a huge step of self-reliance. This program will be an incredible opportunity for years to come. Business plans available

- Peter Taxi – upgrade car to larger 4 wheel \$3500
- Hakim – student rooms for rent – finish construction \$3000
- Ben – piggery: better construction and adding more pigs \$3000

Replace older **solar batteries** as they age and can no longer store energy \$250 each or \$2500 total
 We will need to replace 10 each over the next year or two

Purchase a **truck for work** on ranch and taking shopping / repairs to town \$15,000

Work with **Kirkland Rotary Club** [they will write the international grant] to fund a solar water pump for our bore hole / well - include your club in our project – the more clubs that get involved the more likely our grant will be accepted. \$25,000

Construction of **‘Lodge’** with teaching kitchen, large dining room + equipment \$300,000

• **FAHI VISION QUEST**

- Catch the true vision of AHI – Come to Uganda and see for yourself
- Create a team to visit and work in our community Priceless
- Let your heart be broken for Africa and be transformed [ruined] forever!

Together we can change the world.
